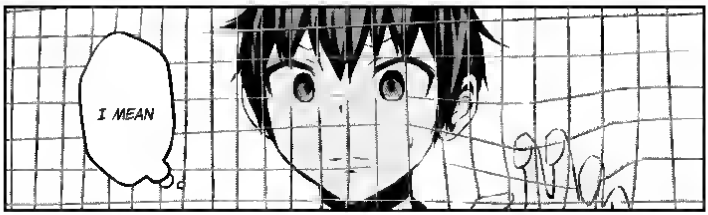
ちこたん、こわれる

presented by 今井ユウ

※「ちこたん」「ちこれる」「ちこわ」などお好みで略して呼んでください。

Ousaka Ryouhei

First year at Shinmeisaka High. Written as "逢坂" and pronounced as "Ousaka". Has nothing to do with the song by Fukuyama Masaharu. Also doesn't look like him at all.



Nekoyashiki Aya

Friends with Ousaka since middle school. A strange last name, but is a real Japanese name. Incidentally, Seiiku Dome is also commonly called "Neko-yashiki". Nothing to do with the story though.

Miyahara Chiko. Ousaka's classmate. Even though she's the heroine her name is relatively normal compared to the other two. At this point no one calls her "Chiko-tan" yet, but the title is "Chiko-tan"
